

## What people are saying:

- “For all those who told us an ounce of prevention was worth a pound of cure, look at the good things that North Range is doing.”

Joe Tennesen  
Executive Director  
Habitat for Humanity

- “One issue we often face is that there isn’t one central location to refer families to for free prevention services. This will be wonderful for the families we work with!”

Krystle Kelley  
Director of Operations  
Boys and Girls Club of Weld County

## North Range Behavioral Health Littler Prevention Campus

North Range Behavioral Health is proud to announce the creation of the Littler Prevention Campus. This campus is a central location for Weld County residents to receive a wide variety of prevention services, free of charge. The Littler Prevention Campus promotes the well-being of Weld County residents and reduces the prevalence of high-risk behaviors and poor outcomes in children, youth, adults, & families.

### Prevention Programming:

- **Project Launch** works with community partners to help parents to identify and address challenges early in a child’s development.
- **Weld County Prevention Partners (WCPP)** provides education and promotes awareness of the problem of under-aged drinking.
- **Suicide Education and Support Services (SESS)** offers community education and support to those impacted by sui-
